

VIEWING THE ONLINE PORTAL ON YOUR MOBILE

DESKTOP VIEW GUIDE

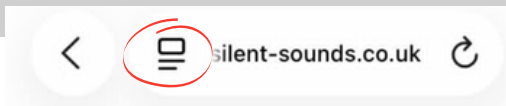

Our online portal is a web-based platform, not a downloadable app, and is accessed directly through your mobile browser.

For the best experience, particularly when viewing "All Available Vacancies" we recommend switching to **Desktop View**, which displays the full website layout on your phone so you can see all vacancy details at a glance.

Please see below the steps to follow depending on your device:

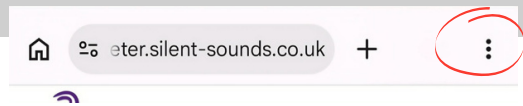

IPHONE (SAFARI)

Open the portal link in Safari
Tap the "aA" icon on the left side of the address bar.
Select "Request Desktop Website" from the menu.

ANDROID (CHROME)

Open the portal link in Chrome.
Tap the three dots (:) in the top-right corner.
Tick the box next to "Desktop site".

You can switch back to mobile view at any time by following the same steps and unticking the option.
